Community

# Join the conversation with thousands of Totara users in the Totara community

Your one-stop shop for learning and resources about Totara products and learning and performance management

The Totara Community is a vibrant hub to connect and learn from others, with comprehensive and inspiring content in a highly supportive environment. We've created the meeting place for people like you, passionate about best-practice learning and development.

Share and collaborate with an engaged network of like-minded learning professionals on a wide range of topics including market trends, key learning technologies, best practices and strategies for supporting effective learning and performance in the workplace.

Share and collaborate

with other users in our workspaces to talk to your peers about specific challenges and use cases.

Learn from the experts

in our regular webinars to get product advice, hear from other customers and expand your knowledge with thought leaders

Get product support

in our forums, where you can access documentation and guidance on how to achieve more with your Totara products. Keep up to date with information on new releases and product news.

Weekly microlearning

Sign up to microlearning for your weekly dose of Totara straight to your inbox.

Get certified with the Totara Academy

The Totara Academy contains a growing range of learning resources designed to help you get the most from your Totara products.

These resources are built using a blend of activities including simulations, animations, videos and assessments. Prove your knowledge by earning **Site Administrator**, and **Course Creator** certifications.

[Get started]

> " **The Community is massively valuable. Really like the academy, I've learnt lots. It's so much more user friendly than other LMSs I've used."**
>
> Totara Community user

Sector Spaces

Looking to collaborate and learn from other users in your sector? If you work in **healthcare** or **government**, join our existing sector spaces today. Want a space for your sector? Let us know and we'll happily set one up.

Access our webinars

Explore learning and development best-practice topics with industry experts.

Understand how to get the most out of your Totara products with our product experts. Go behind the scenes with award-winning Totara implementations.

> " I use the forums and take part in webinars a lot and find the full package of support excellent."
